witchcraft into the wilds leads us through the wilds of nature and back to the roots and bones of
witchcraft a natural witchcraft that works with the seasons and all the natural items that mother
nature provides drawing on magical folk lore and a little bit of gypsy magic too no fancy tools or
ceremonial rituals this is about working with the source mother earth provides us with the

changing of the seasons and within that turning of the year she gives us everything we need to work magic with from natural energy in the form of storms rain and sunshine to tangible items packed full of magical energy such as seeds leaves and stones

130 recipes to capture the magic in every mote drawing upon american folk traditions and witchcraft charity bedell provides practical and spiritual advice for working with powdered plant animal and mineral curios she takes you step by step through storing energy in finely ground materials and releasing it to enhance spells and rituals learn how to direct your will by dusting powder on a candle sprinkling it into a bath or pouring it into a container elevate your practice with witch salts floor sweeps spice blends and other substances whether you desire protection empowerment or love this book offers numerous easy to use formulas for this uniquely portable and discreet form of natural magic a great companion to divine dirt and container magic this book provides spells exercises and recipes for all your magical and spiritual needs including ancestor work attraction banishment binding blessing cleansing divination employment friends friendship healing hex breaking house home justice love luck meditation mental health prosperity success protection psychic development spirit work wishes

conjuring money and attracting love reversing hexes and stopping slander it s all in a day s work for the hoodoo practitioner this is true american folk magic colorful and powerful yet little known outside of the bayous and backwoods of louisiana let ray malbrough take you deep inside the hoodoo mysteries you ll learn the secrets of root working and magical baths the head pot and the medium s necklace you ll discover how to divine the future with playing cards and cowrie shells and how to work with the spirits of the dead step inside a world of magic and intrigue you never knew existed enter the hidden world of the hoodoo

a guide to spellcasting provides an introduction to the practice of magic along with a variety of spells for use in everyday life situations including spells for protection love fertility money and luck

make more immersive and engaging magic systems in gamesgame magic a designer s guide to magic systems in theory and practice explains how to construct magic systems and presents a compendium of arcane lore encompassing the theory history and structure of magic systems in games and human belief the author combines rigorous scholarly analysis wi

a poignant necessary entry into the children's literary canon root magic brings to life the history and culture of gullah people while highlighting the timeless plight of black americans add in a fun magical adventure and you get everything i want in a book justina ireland new york times bestselling author of dread nation walter dean myers honor award for outstanding children's literature a mythopoeic fantasy award winner debut author eden royce arrives with a wondrous story of love bravery friendship and family filled to the brim with magic great and small it's 1963 and things are changing for jezebel turner her beloved grandmother has just passed away the local police deputy won't stop harassing her family with school integration arriving in south carolina jez and her twin brother jay are about to begin the school year with a bunch of new kids but the biggest change comes when jez and jay turn eleven and their uncle doc tells them he's going to train them in rootwork jez and jay have always been fascinated by the african american folk magic that has been the legacy of their family for generations especially the curious potions and powders doc and gran would make for the people on their island but jez soon finds out that her family's true power goes far beyond small charms and elixirs and not a moment too soon because when evil both natural and supernatural comes to show itself in town it's going to take every bit of the magic she has inside her to see her through

list of bibliographies and trans in v 1 12

a practical guide to the traditional secrets of the magical practitioners of east anglia it serves as a sourcebook for talismanic magic charms against evil household and animal magic folk remedies ceremonies of protection curative spells and recipes

here is a book that takes the sting out of learning object oriented design patterns using vignettes from the fictional world of harry potter author avinash c kak provides a refreshing alternative to the typically abstract and dry object oriented design literature designing with objects is unique it explains design patterns using the short story medium instead of sterile examples it is the third volume in a trilogy by avinash c kak following programming with objects wiley 2003 and scripting with objects wiley 2008 designing with objects confronts how difficult it is for students to learn complex patterns based on conventional scenarios that they may not be able to relate to in contrast it shows that stories from the fictional world of harry potter provide highly relatable and engaging models after explaining core notions in a pattern and its typical use in real world applications each chapter shows how a pattern can be mapped to a harry potter story

the next step is an explanation of the pattern through its java implementation the following patterns appear in three sections abstract factory builder factory method prototype and singleton adapter bridge composite decorator facade flyweight and proxy and the chain of responsibility command interpreter iterator mediator memento observer state strategy template method and visitor for readers use java code for each pattern is included in the book s companion website all code examples in the book are available for download on a companion website with resources for readers and instructors a refreshing alternative to the abstract and dry explanations of the object oriented design patterns in much of the existing literature on the subject in 24 chapters designing with objects explains well known design patterns by relating them to stories from the fictional harry potter series

chronicling the underappreciated black tradition of bearing arms for self defense this book presents an array of examples reaching back to the pre civil war era that demonstrate a willingness of african american men and women to use firearms when necessary to defend their families and communities from frederick douglass s advice to keep a good revolver handy as defense against slave catchers to the armed self protection of monroe north carolina blacks against the kkk chronicled in robert williams s negroes with guns it is clear that owning firearms was commonplace in the black community nicholas johnson points out that this story has been submerged because it is hard to reconcile with the dominant narrative of nonviolence during the civil rights era his book however resolves that tension by showing how the black tradition of arms maintained and demanded a critical distinction between private self defense and political violence johnson also addresses the unavoidable issue of young black men with guns and the toll that gun violence takes on many in the inner city he shows how complicated this issue is by highlighting the surprising diversity of views on gun ownership in the black community in fact recent supreme court affirmations of the right to bear arms resulted from cases led by black plaintiffs surprising and informative this well researched book strips away many stock assumptions of conventional wisdom on the issue of guns and the black freedom struggle

the author tells of the legendary high sheriff of low country and drs bug fly crow and buzzard professional root doctors who can administer a root or charm to bring money help you find love or cure what ails you cover
